

Do

There are lots of things you can do while at Dzongu. Just sitting and enjoying the cool mountain air is an option too!

While
in Dzongu, we suggest that you spend your time in exploring this untouched area and understanding it's wonderful inhabitants. Listen to the enchanting tales that the members of the Vanishing Tribe have to tell. Enjoy the Lepcha food and hospitality. Hike through the dense forests and trek in the pristine mountains. Meditate in the monasteries. Take part in our festivals and rituals. Catch fish in the Rongyung Chu River to have it cooked later. Click photographs and take home memories that you will cherish forever.
