We Lepchas have a rich cultural heritage, and are very proud of it. For centuries, our way of life and traditions have been passed down from one generation to another. Music and dance are an important part of our culture. It bonds us emotionally to each other and the nature.

You can experience a glimpse of this. A Cultural Show of local folk songs and dances can be arranged on your request. The Lepcha youth take pride in giving you this insight into their culture and will participate with enthusiasm and vigor to make their show a success.
